

PIFIS

University: Corvinus

Program: MSc in Finance

Preparatory Price: 5500€ in total

Entry requirements to preparatory program: English level: min. A2,
Good high school grades

MSc Description: The MSc Finance programme will forge you into a professional who has high level theoretical, methodological and practical competencies in finance, competitive in the labour market.

The experienced professors and guest lecturers will deliver you classes ranging from quantitative finance, banking, risk management, corporate finance, and corporate valuation.

After graduating from the programme, you will have all assets necessary to become a full-fledged analyst of the financial processes of the economy. You will cultivate deep expertise in financial business and methodology and also obtain managerial skills, giving you future access to various fields of domestic and international economic and business life.

For admission onto the MSc Finance programme, you will typically hold an accounting, finance or business degree or a degree in economics. Corvinus accepts applicants from other academic backgrounds who meet the compulsory credit requirements.

Entry requirements to MSc program: Min. 785 points on the final TOEIC exam
BA/BSc diploma from a relevant field
Passing the oral entrance exam
