University: Budapest Metropolitan University

Program: MA in Art and Design Management

Preparatory Price: 5500€ in total

Entry requirements to preparatory program: English level: min. A1,
Good high school grades

MA Description: Design in a broader sense – meaning all creative solutions as a whole- is indispensable in today's global economics. The development & management of product structure and national and international relations of for-profit and non-profit actors of the art sector require professionals who are familiar with contemporary design, art scenes and trends.

This program is for you if you would like to be a cultural manager, if you are independent, if you have entrepreneurship affinity, and good organizational skills and if you have a good style both in writing and speaking. METU expects both graduates from art and design programs and design and art theory students. Also, they would love you in their program if you are coming from the field of economics or technology, but interested in the management of businesses in the field of culture.

Entry requirements to MA program: Min. 605 points on the final TOEIC exam
BA/BSc degree from relevant field
