

PIFIS

**University:** Corvinus

**Program:** BSc in Applied Economics

**Preparatory Price:** 5500€ in total

**Entry requirements to preparatory program:** English level: min. A2,  
Good high school grades

**BSc Description:** Get familiar with relevant concepts, principles, models, theories and methodology of modern economics. Corvinus will provide you with the analytical methods used by economists working in business, policy and research.

The Applied Economics BSc programme makes you familiar with many exciting tasks: How to modelize the real world? How to develop your data analysis skills and quantitative competences? How to improve your problem-solving abilities and critical thinking? It includes studying a wide variety of concepts, participating in major group projects and presentations – making you the perfect asset to any company, public or private organisation.

Upon graduation, you will be able to examine the underlying incentives of social phenomena to try to extract meaning from data, to making models and forecasts and then find the explanation to major issues.

**Entry requirements to BSc program:** Min. 785 points on the final TOEIC exam  
4 out 5 mathematics midterms passed with at least 50%  
Final math exam passed with at least 56%
