

PIFIS

University: Corvinus

Program: MSc in Economic Analysis

Preparatory Price: 5500€ in total

Entry requirements to preparatory program: English level: min. A2,
Good high school grades

MSc Description: As a student of the Economic Analysis programme, you will learn economic theory and tools of data analysis, with emphasis on economic policy analysis – all highly sought-after by employers. You can specialize as a firm and market analysis or macroeconomic analyst.

By the time you graduate you will be able to analyse complex economic situations. You will be adept at cultivating corporate and economic policy-making. You will provide high-quality analysis and aid decision making in any area of employment you pursue.

For admission onto the Economic Analysis programme, you will typically hold an economics, mathematics or finance degree, but students from other subjects are also welcome, if they have mathematical knowledge.

Entry requirements to MSc program: Min. 785 points on the final TOEIC exam
BA/BSc diploma from a relevant field
