

PIFIS

University: Budapest Business University

Program: BSc in Business Administration and Management

Duration: 7 semesters

Tuition fee: 2750 EUR/semester

Application fee: 150 EUR

Entry requirements to the program: High school / secondary education (or higher)

Description of the program: In the business and management programme, BBS develops business professionals who know the basic concepts and main relationships of business management, as well as the principles of management using resources and production factors. They are able to manage, organise and operate business processes, establish organisations and institutions, and design or change their structure and organisational conduct.

Career prospects: Graduates will be suitable for positions that cover the performance of the following tasks, amongst others:

Participation in the preparation of corporate decisions.
Independent work in sub-areas of the corporate system - business planning, project administration and management, sales and marketing tasks, customer relationships, business analysis.

Management duties related to the general management and co-ordination of organisations.
