

PIFIS

University: Budapest Metropolitan University

Program: BSc in Finance and Accounting

Preparatory Price: 5500€ in total

Entry requirements to preparatory program: English level: min. A1,
Good high school grades

BSc Description: Understanding the nature of money and capital market is an exciting and rewarding once in a lifetime adventure. This program makes students understand financial culture through an analytical approach so they are capable of comprehending the domestic and international financial processes in their diversity.

METU considers it important that their students have the opportunity to work with the latest tools and software. These advanced financial tools are essential for understanding today's most dynamically developing sector, with special emphasis on e-business. They focus on fostering independent strategic, business planning and analytical skills. Besides becoming familiar with all the major secrets of investment, financing and taxation decisions, you will be able to organize and manage a company's financial, accounting and taxation processes.

Entry requirements to BSc program: Min. 605 points on the final TOEIC exam
Passing the final math exam
High School Math grade above 60%
