

PIFIS

University: Eötvös Loránd University

Program: BA in Psychology

Preparatory Price: 4500€ in total

Entry requirements to preparatory program: English level: min. A1,
Average high school grades

BA Description: The goal of the programme is to train students to become professionals in the theoretical foundations and basic methods of psychology and offer insights into the applied branches of the discipline, such as possessing skills and techniques that can be used to measure, explore and develop the behavioural and mental processes of individuals, groups and organizations through behavioural measurement or other experiments. Students obtain an integrated knowledge of education, communication, socialization, learning and human development. The program also provides theoretical and practical knowledge and a vocation that qualifies students for further studies in any psychology MA programmes.

Entry requirements to BA program: Minimum level of language proficiency (A1-C2): B2
Passing the oral entrance exam
CV and Motivation Letter
