Description of the program: Our aim is to enable our students to use their accounting and auditing skills on the international scene for a career in multinational companies operating in our country. To this end, students will be introduced to the essence, content and elements of international regulation and the relationship between accounting and auditing. Our programme is aligned with the requirements of the ACCA, the world's leading accounting qualification, providing up-to-date and ready-to-use knowledge in both audit and related IT areas.

Career prospects

- Finance Manager Group Accounting
- Financial Controller
- Chief Accountant
- IFRS Expert
- Director of Group Internal Audit
