

PIFIS

**University:** Corvinus

**Program:** Master of Business Administration (MBA)

**Preparatory Price:** 5500€ in total

**Entry requirements to preparatory program:** English level: min. A2,  
Good high school grades

**MBA Description:** If you are already a mid-level manager with a minimum of three years of work experience – this MBA is for you. Uniquely embedding elements of complex problem solving, soft skill development, sustainability and quantitative methods with traditional business theory, this programme will transform you into an international business leader. Get ready to join the programme of four semesters throughout which you will work together with business practitioners on solving some of their prime concerns. You will work in small teams of experienced peers from all over the world, supported by respected professors in each project.

Meanwhile, you can refresh and add to your current understanding of contemporary issues in global business and society, as well as hone your skills of using state-of-the-art analytical and decision-making tools that add rigour and power to your problem-solving. Are you a future-ready professional? Studying in the programme will set you on the right track of life-long learning while giving you valuable knowledge and skills for facing the challenges ahead of us.

**Entry requirements to MBA program:** Min. 785 points on the final TOEIC exam  
BA/BSc diploma from a relevant field  
Statutory work experience  
Passing the oral entrance exam
