

PIFIS

University: Eötvös Loránd University

Program: MSc in Health Policy Planning and Financing

Preparatory Price: 5500€ in total

Entry requirements to preparatory program: English level: min. A1,
Average high school grades

MSc Description: Health Policy Planning and Financing (Specialization in Health Economics), launched in English, offers multi-disciplinary expertise and a problem-oriented approach. Such knowledge and skills will remain relevant in the long run and help graduates understand and analyse key issues of future health systems, such as: efficiency of health technologies, sustainability of health financing, and techniques to measure and influence the performance of health care systems.

Our programme prepares students for career positions in both the private and public sectors. This includes health care governance and financing at national and local levels and careers at pharmaceuticals companies, public and private health care providers, as well as education and research institutions.

Entry requirements to Minimum level of language proficiency (A1-C2): C1

MSc program: BA/BSc degree form a relevant field

CV and Motivation Letter

Passing the oral entrance exam
