

PIFIS

University: Eötvös Loránd University

Program: BA in International Business Economics

Preparatory Price: 5500€ in total

Entry requirements to preparatory program: English level: min. A1,
Average high school grades

BA Description: The primary goals of the International Business Economics Programme at Eötvös Loránd University are to familiarise students with the challenging issues of international economic processes both at a macro and a micro level and to acquaint them with the European business environment. This will enable future economists to perform successfully in a multinational business environment.

This program is recommended to applicants who are keen to become specialists in economics and are open to a multi-cultural business environment. The program includes a semester of internship in an international work environment.

This program enables students to become experts in international market processes, the operation of the EU and in the economic, political, and cultural impacts of globalisation.

Entry requirements to BA program: Minimum level of language proficiency (A1-C2): B2

Passing the oral entrance exam

CV and Motivation Letter
