CV

Motivation letter

Introduction video

**Description of the program:** The goal of this program is to train professional sociologists at the bachelor level. Successful graduates of the program should have a solid grasp of the concepts and principles of sociology and have mastered (at the appropriate level) its methods, and they should be able to identify and interpret social problems meaningfully. Besides the traditional lectures and seminars, the program is based on project-based teaching methods, and includes one semester of intensive project work.

**Career prospects** Community and youth work  
Public services  
Business, marketing  
Politics, activism and the charity sector
