BSc Description: Success has many components. If you want to succeed in business, you should be ready to think big, be capable of comprehending far-reaching processes and have analytical, organizational and managerial skills in order to deliver business results. This is inconceivable without up-to-date knowledge and effective management and communication training. METU's courses prepare their students to meet any business challenge imaginable. In addition to receiving a thorough grounding in economics, students will also learn how to make powerful presentations, handle business negotiations, organize events and write press releases. They teach you how to compete to succeed in a professional environment, how to develop winning strategies and how to realize your business goals.
