

PIFIS

University: Eötvös Loránd University

Program: MA in Psychology

Preparatory Price: 5000€ in total

Entry requirements to preparatory program: English level: min. A2,
Average high school grades

MA Description: The aim of the programme is to train psychology professionals who have mastered the theories and methods of psychological science on an advanced level, are proficient in the various subfields of psychology, possess the skills and techniques of psychology as a profession and are able to apply these to help individuals, groups or organizations develop and improve. The programme also aims to provide students with expertise based on the most recent theoretical advancements and practical knowledge in the field, so students develop professional skills and a commitment to psychology as a profession. This solid foundation of knowledge enables graduates to practise psychology as a vocation independently, participate in post-graduate programmes and attend further methodological trainings in psychology.

Entry requirements to MA program: Bachelor-level degree
Minimum level of language proficiency (A1-C2): C1
Passing the oral entrance exam
CV and Motivation Letter
Reference work
