

PIFIS

University: Eötvös Loránd University
Savaria Institute of Technology (Szombathely)

Program: BSc in Mechanical Engineering

Duration: 7 semesters

Tuition fee: 3200 EUR/semester

Application fee: 80 EUR

Entry requirements to the program: Minimum level of language proficiency (A1-C2): B1
High school diploma and transcript
CV
Motivation letter
Medical certificate

Description of the program: This program's primary objective is to train proficient mechanical engineers with a comprehensive foundation in both theoretical principles and industrial practices. Graduates of this program will acquire the expertise necessary for involvement in the design and production of entire machinery systems or individual machine components.

Career prospects Design Engineer
Production Engineer
Automatization Engineer
Simulation Engineer
Research Fellow
