Motivation letter

Minimum level of language proficiency (A1-C2): B2

Description of the program: Bachelor in Communication and Media Science will provide you with competitive knowledge in communication, marketing, public relations and media. You will dive deeper into a variety of modules. There is a strong practical emphasis embedded into the programme. Students find studying communications enjoyable, interesting and highly relevant to the workplace and everyday lives. You have the opportunity to gain professional experience by undertaking a short internship in your second year.

Career prospects

- Media Specialist
- Public Relations (PR) Expert
- Digital and Social Media Manager
